- Responsible for HTML and CSS, DOM traversal for retrieving recipe information, presentation.
- jQuery, Ajax, Spoonacular API, JavaScript, Bootstrap, CSS, HTML

RELEVANT EXPERIENCE

Software Developer and Course Developer

April 2020 - Dec. 2020

Yale University; New Haven, CT

Transcribed Yale professor's handwritten technical notes for courses on Differential Equations & Fluid Dynamics into PowerPoint presentations. Used LaTeX to PNG/JPEG coding to convert hundreds of complex equations into PNG files in order to transition in-person courses to virtual learning as a result of the Covid-19 pandemic.

ADDITIONAL EXPERIENCE

Theater Studies Supervisor

January 2020 – March 2020

Yale University; New Haven, CT

Supervised the Theater Studies Senior Project performances to make sure all went well before and after the show.

Theater Manager

January 2020 – March 2020

Yale University; New Haven, CT

Oversaw student load-ins and strikes, ladder use, riser moves and basic maintenance at the Crescent Theater.

Dresser

September 2018 –November 2018

Westport Country Playhouse; Westport, CT

Worked as a dresser in the costume department. Handled costume rental returns (up to +\$23,000). Assisted Wardrobe Supervisor and the Costume Designer with stock inventory and organization, paperwork, minor sewing and alterations, quick changes, quick rigging, and laundry care.
